Dear Sir

Enclosed herewith you will find:

- (a) An amended copy (pages 1 to 11) of the original text (specification) of my invention, in which the typographical errors have been corrected.
- (b) A brief description of the drawings (p. 12).
- (c) A new proposed amended claim (p. 13), which is rephrased in such a way that no other item is claimed, except the slot assembly, as described in the specification of my invention.
- (d) A copy of the abstract (p. 14), as it has been rewritten in form of one paragraph.
- (e) Additional copies of the amended drawings pp. 1/7, 3/7, already attached to my transmittal letter dated June 27, 2006.
